Album 45 Stories

Song 1: Hymn of the True Heavenly Calendar

God gave His people a true calendar based on the moon and appointed feasts that point to Jesus. Over time, human systems (Babylonian, Greek, and Roman) mixed pagan traditions into the calendar. This song calls us to return to God's pure calendar and honor Jesus as the fulfillment of every feast and season.

Song 2: From Xiongnu to Ottoman

From the ancient steppes of Central Asia to the Middle East, powerful empires rose one after another — Xiongnu, Göktürks, Umayyads, Abbasids, Safavids, Mughals, and Ottomans. Each built great civilizations, but all eventually fell. The song reminds us that no earthly empire lasts forever — only Jesus Christ's Kingdom is eternal.

Song 3: Break the Matrix

This bold song declares war against every deceptive system, beast, and image that tries to control humanity. It calls the Holy Spirit's fire to break every modern and ancient matrix so God's people can walk in truth and freedom through Jesus Christ.

Song 4: Carolingian to Romanov

The song traces the rise and fall of major European dynasties — Carolingians, Capetians, Plantagenets, Habsburgs, Piasts, and Romanovs. Though they ruled with power and glory for centuries, all these kingdoms eventually ended. Jesus Christ alone is the eternal King.

Song 5: Crown of Heaven (The Oneness of God)

A majestic worship song celebrating the Trinity — God the Father, Jesus the Son, and the Holy

Spirit as one God in perfect unity. It exalts Jesus Christ as the center of all creation and declares that all glory belongs to Him forever.

Song 6: Dacian Shadows

This song looks at the ancient spiritual world of the Dacians (early Romanians) with their gods and dark practices. It proclaims that Jesus Christ's light and the Holy Spirit's fire break every shadow, demon, and pagan matrix in the Carpathian region.

Song 7: Carpazi Light

A triumphant song about the Carpathian Mountains and the spiritual battles in Eastern Europe. It declares that Jesus Christ's light and the Holy Spirit overcome all darkness, old pagan traditions, and spiritual matrices in the region.
